

ECO POND

Filter pump with sponge Filterpumpe mit Schwamm

ECOPOND filtering systems are indicated when your pond requires an effective and powerful filtering, due to the presence of particularly dirty water. ECOPOND keeps the water environment biologically balanced and its water effects give a touch of originality to whatever pond it is used in. Various water plays are available for the ECOPOND system:

- ECO1 is equipped with waterbell, waterlily, single daisy and double daisy nozzles;
- ECO 2/3/4 are equipped with large waterbell, daisy super 3 stages and, on request, with large waterlily and foam jet nozzles.

ECOPOND hält das Wasser-Ambiente biologisch im Gleichgewicht und seine Wasserspiele geben dem Becken, in dem die Pumpe eingesetzt wird, eine gewisse Originalität. Für das System ECOPOND sind verschiedene Wasserspiele verfügbar:

- ECO 1 ist mit Wasserglocke, Wasserlilie, Margerite einzeln und Margerite doppelt ausgestattet.
- ECO 2/3/4 sind mit großer Wasserglocke, Super Margerite - 3 Stadien und -auf Anfrage - mit Großer Wasserlilie und Schaumsprudler ausgestattet.
